PRESIDENT’S COLUMN

In order to cut our overhead, CPC is making drastic cuts to the mailing list starting with this issue and ending with the winter issue of the *Quarterly*. Free copies are only sent to the Presiding Bishop, Diocesan Bishops, Diocesan CPC directors and those who pay a **yearly membership** of \$20 as well as life members. Life members are individuals who have paid \$250 and churches who have paid \$300. If a friend mentions they miss receiving this great training tool, please show them the membership form. The membership form is part of the **Speaking Volumes** leaflet. It is also available on our website: www.churchperiodical.com in the CPC Parish Kit and the membership form itself appears on the back page of this newsletter..

The money from memberships provides funds for us to maintain the office in NY which is essential for our ministry, to pay the salary of our office administrator, as well as the expenses for postage, supplies and all the miscellaneous costs of running an office.

Each member of the National Board has been asked to sign up 5 new members (or renewal members) annually. We would like to give you the opportunity to renew your personal membership as well and perhaps give a new one to a friend or your church. Or, perhaps just a donation to the administrative fund.

As we approach the holidays, please remember the **Miles of Pennies Fund**. Did you buy a book for a neighbor, child, godchild, or grandchild? What a blessing to be able to choose a special bedtime story book or a children’s Bible to read to that special child. With a donation to the MOP fund, you will be providing opportunities for other children to receive their very own Bibles, prayer books, secular reading books as well as educational books. Books open up a whole new world. What a blessing, indeed.

Our CPC Handbook states that the main purpose of the *Quarterly* is to report to the membership the NBF Grants. The requests were great in number and financial need – more than we could ever fund. We were able to give almost \$22,000 to fund the many domestic and overseas requests – some were fully funded and others only partially funded. Thank you to those who donated to the NBF. We appreciate all that was received.

Ursula
